

consigning at Wear & Share

Thanks for your interest in consigning at Wear & Share. We sell top brand kids' clothes, shoes, toys, books, baby gear, and furniture in great condition. We hand-select items based on style, current trends and what will make you the most money. We're always willing to support our growing community of consignors in the Chicagoland area, so consigning with us is easy: You bring us your best stuff, let us do the rest and you get 40% of the sale. **Recycling has never been this savvy!**

Please follow these guidelines to help us make your appointment run smoothly:

1. **Make an appointment by calling 630.456.4140.** You may make your Spring/Summer appointment starting January 1st and your Fall/Winter appointment starting July 1st. Our shop does not accept clothing in the months of June or December. We accept non-clothing items year-round.

Most appointments take 20 minutes or less.

We make appointments Monday thru Friday from 10am – 3pm and Saturdays from 10am – noon.

2. **Paper-bag Dropoff.** If you are an existing consignor and prefer not to wait, you may drop off ONE paper bag with your first and last name clearly marked on the outside. We expect the contents to be saleable and follow shop guidelines. We reserve the right to donate any item later found to be flawed or missing parts.

3. **Bring items in season.** January – May = Spring/Summer (including Easter/July 4th holiday wear); July – November = Fall/Winter (including holiday wear and winter gear).

4. **Inspect your items carefully before you arrive.**

- We accept boys' and girls' clothing thru size 12. Shoes up to size 4. Shoes should be clean and free of dirt and debris and not scuffed. Clothing must be in season and free from stains, fading, rips, tears, holes, etc. Clothing must be current and in style.
- Bring in your items freshly laundered and neatly folded in up to two boxes or laundry baskets (NO hangers or plastic bags of any kind). Keep sets together (e.g. tops & pants, dresses/skirts & bloomers). Keep in mind that you wait for us to inspect. Please do not overload your container(s).
- Bring us your best items. We do not accept items with excessive wear and fading, stains, missing buttons, or broken zippers.
- Toys must be wiped down and clean. Batteries must be included, if applicable. Books must have good clean bindings and not inscriptions or markings. Gear must be manufactured within 5 years. Items must include all pieces. Please count before appointment.
- **If a defect is discovered after initial inspection – the shop will automatically donate to charity.**

5. **Leave the pricing to us.** Our goal is to present your items in the cutest, most organized possible way to make you successful as a consignor. So we price everything based on brand, style, and condition. You receive 40% of the selling price. We do not charge any fees to consign with us.

6. **Sit back and let your items sell.** Wear & Share sells your items for 90 days. Clothing only will sell at full price for the first 30 days. They will discount 25% for the next 30 days and then discount 40% for the remainder of the consignment period. After 90 days consignors have the right to pick up any item(s) that remain unsold. It is consignor responsibility to contact the shop. We have a 7-day grace period. Abandoned items are donated to charity. If you do not want to have any item returned – do nothing. Wear & Share will donate to charity for you.

7. **Get paid.** Consignors have the capability to view and track their progress online. Feel free to call us any time to check on your account. We recommend you wait at least 15 days after your appointment to give your items a chance to sell. We pay by check when accounts reach \$20 or at the end of a consignment period. Consignors may also use their earnings as cash in the shop.
